# KNOLLWOOD GOLF CLUB MEN'S LEAGUE

---

---

# 2024 INFORMATION PACKAGE

---

## How The League Works:

Members have the choice of playing 9 or 18 holes. Tee times are blocked each week for the men's league members to take advantage of. Preferred league pricing is valid during league blocks only. Playing outside of this time and on the opposite course of league play excludes you from receiving the preferred league rate.

Beginning and end dates will be established in the spring.

League Fee: \$65 + tax

The League Fee includes:

- Access to our preferred league member golf rates
- Ability to play in weekly on course games
- League Closing Banquet Meal
- End of the year gift

## Weekly League Fees:

***The weekly league fees are as follows:***

Walking 9 or 18 holes: \$32.00 tax included

Power Cart: Additional \$15.00/rider tax included

## Weekly play:

Members are responsible for creating their own groups prior to the day. If a league member does not have a group to play with we encourage them to contact the pro shop asking for a game or show up the day of ahead of the tee time block and find a group to play with.

## Men's League Tee Sheet Blocks

Men's League takes on Wednesdays.

We block off the tee sheet for the men starting at 1:00pm and runs on tee times.

Do not book more than is required as this takes away tee times from fellow league players. You are responsible to book and cancel your own tee time or designate a leader to complete this weekly.

Book your tee time online!

<http://www.knollwoodgolfclub.com>

## Weekly Games:

Each week a hole competition will be placed on the course that league members will have the option of participating in. If you do not wish to play you do not have to. These games are included in your men's league fee. Examples of what these games will be are as follows: Closest to the Pin, Closest to the Rope, Longest Drive and other various golf related games.

## Monthly Field Trips:

Once a month the league will be playing at Knollwood Old Course. The league rules, pricing, booking methods and all other formatting remains the same and the only change will be the golf course itself. The same league blocks will apply but just at the Old Course.

## Bulletin Board:

A bulletin board is at the New Course and designated to the Men's League. On this board you will be able to find out about news within the league, weekly league winners as well as any updates or changes to the schedule. The League schedule will also be posted there.

## Contact Information:

Old Course: 905-648-6687 Ext 101

New Course :905-648-6687 ext 102
