

LADIES LEAGUE

2024 INFORMATION
PACKAGE

How the League Works:

Members have the choice of playing 9 or 18 holes. Tee times are blocked each week for the ladies' league members to take advantage of. Preferred league pricing is valid during league blocks only. Playing outside of this time and on the opposite course of league play schedule excludes you from receiving the preferred league rate.

Beginning and end dates will be established in the spring.

League Fee: \$65 + tax

The League Fee includes:

- Access to our preferred league member golf rates
- Weekly on course games
- League Closing Meal
- Year end gift

Debit Membership:

“Debit membership” **OPTIONAL**

If you would like to load a debit membership card and purchase between \$500 and \$999 you will receive a 10% bonus.

The monies on your card can be used to pay for your weekly round, Pro shop purchases including confectionary and beverages.

If you do not spend the full amount during the season all we ask is that you top it up to the \$500.00 and can continue using it the following season. The league fee is added on top of the \$500.00. Please keep your card as it will be used from year to year.

Weekly League Fees:

The weekly league fees are as follows:

Walking 9 or 18 holes: \$32.00 tax included

Power Cart: Additional \$15.00/rider tax included

Weekly play:

Members are responsible for creating their own groups prior to the day. If a league member does not have a group to play we ask that you write your name on the bulletin board and indicate whether your number can be given out to a league member so that they can contact you in regards to golfing together. You may also just ask to be booked in a two or threesome when you book your tee time. **Only book the amount of tee times required for your group. We ask that**

you respect your fellow league players and cancel your tee time if no longer required.

Ladies League Tee Sheet Blocks

Tuesdays (A League)

1:00PM-6:00PM

The **A** league runs based on tee times. Do not book more than is required as this takes away tee times from fellow league players. You are responsible to book and cancel your own tee time or designate a leader to book your foursome.

No other golfers will be allowed to tee off during the league block as they are reserved solely for ladies' league members.

Weekly Games:

Each week a hole competition will be placed on the course that league members will have the option of participating in. If you do not wish to play you do not have to. These games are included in your ladies league fee. Examples of what these games will be are as follows: Closest to the Pin, Closest to the Daisy, Closest to the Rope, and other various golf related games.

Monthly Field Trips:

Once a month the league will be taking a field trip to Knollwood New Course. The league rules, pricing, booking methods and all other formatting remains the same and the only change will be the golf course itself. The same league blocks will apply but just at the New Course. If you are not interested in playing there, please feel free to book your own tee time at the Old Course. If you decide to do that please note that there will not be any tee sheet blocks on these weeks at the Old Course so you will likely have non-league members behind or in front of you.

Bulletin Board:

A bulletin board will be put up and designated to the Ladies League. On this board you will be able to find out about news within the league, weekly league winners as well as any updates or changes to the schedule. The League Schedule will be posted here as well.
